

Thank you all! You brought much happiness
to us. We expected a very low keyed anniversary,

But your gestures made it a thousand
times better. The banners, the cake, the flowers
the table with wine glasses and of course
the balloons made it a day we will remember
for a long time.

It was also a good day for Evelyn & she
was very much with it, and laughed, joined in
with the confusions which surprised all of us
Then, it was a good day! I can't say that
enough.

So once again Thank you from
The bottom of our hearts

may God bless you all for what you
did, and what you do every day

Always
Evelyn & Bob
